Mix them up and arrange them in rows. The first player turns over two cards. If the numbers match, he keeps them and takes another turn. If they don't match, he turns them back over and the next player takes a turn. The game is over when all of the cards are gone. The winner is the player with the most cards at the end of the game.

DOOK'S DOUBLE UP

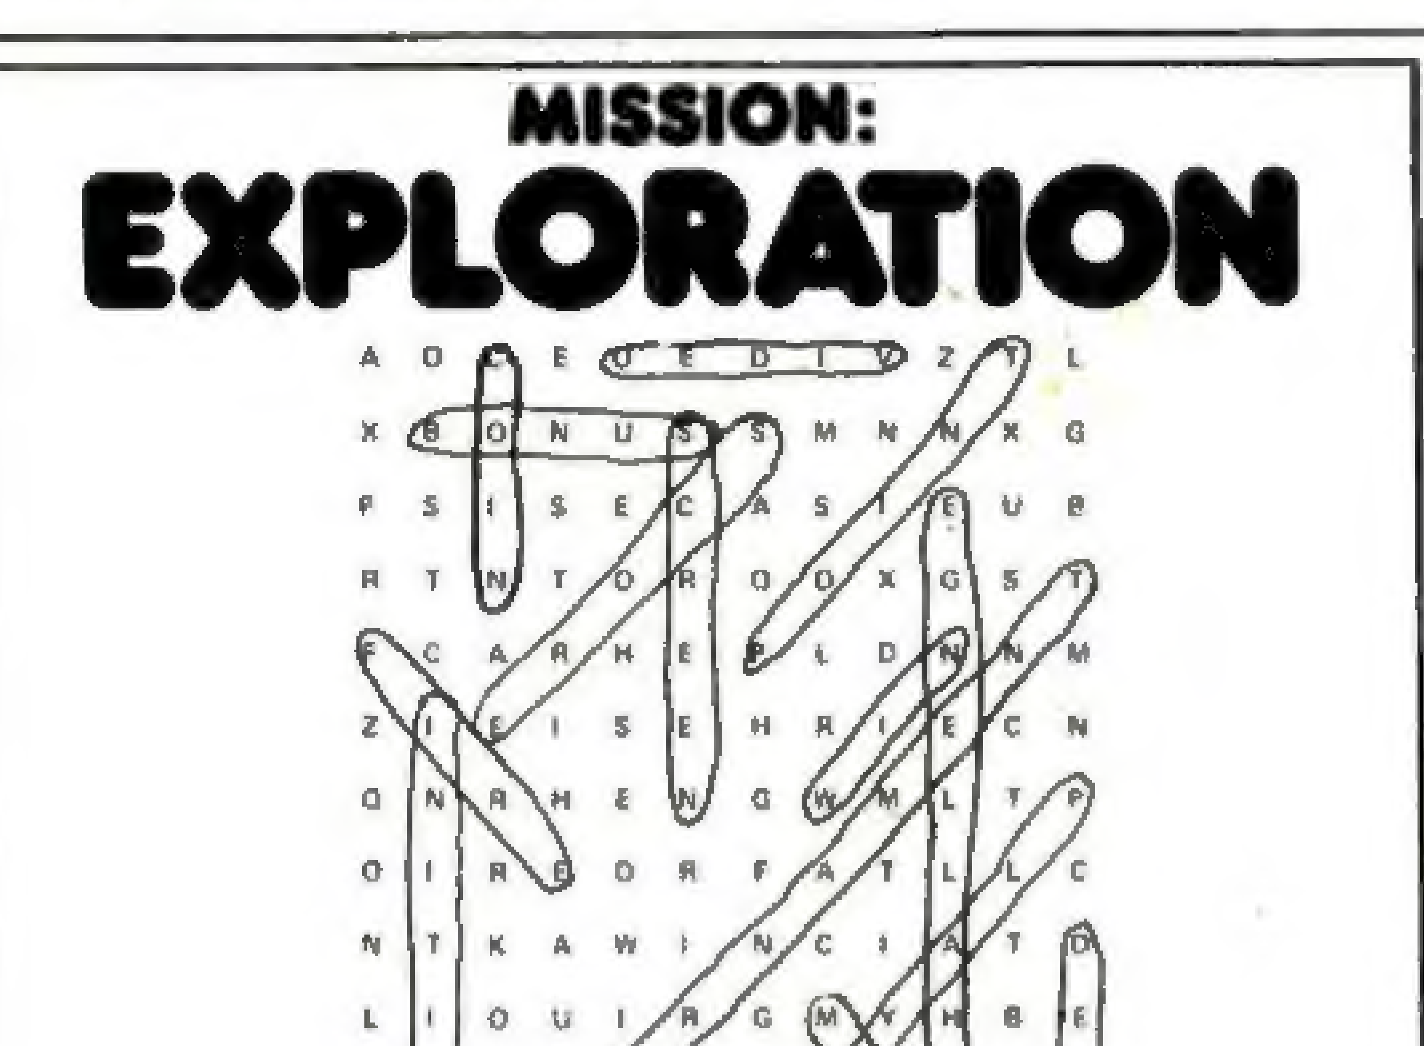

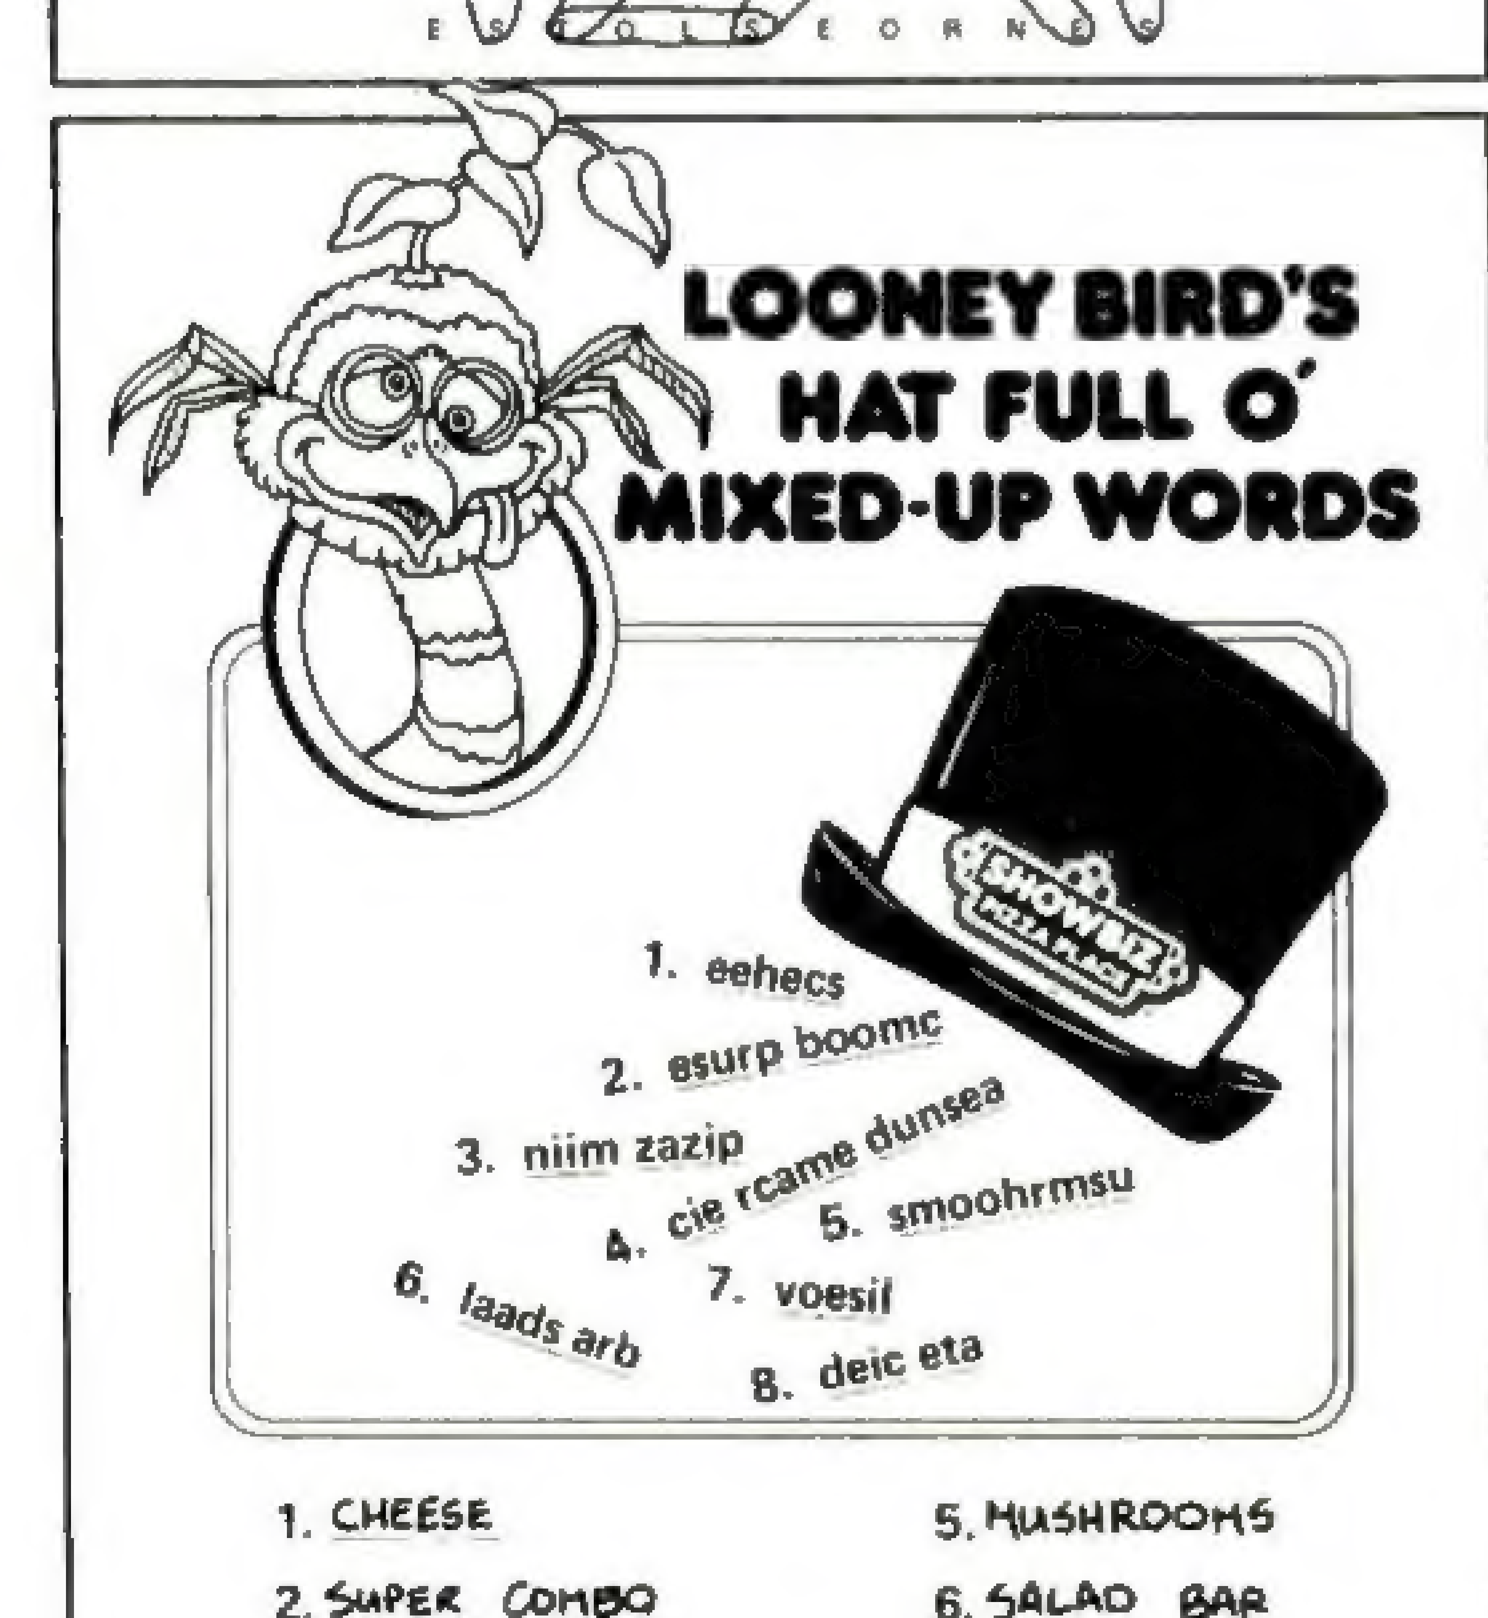

BILLY BOB & THE MISSING PEPPERONI PIZZA

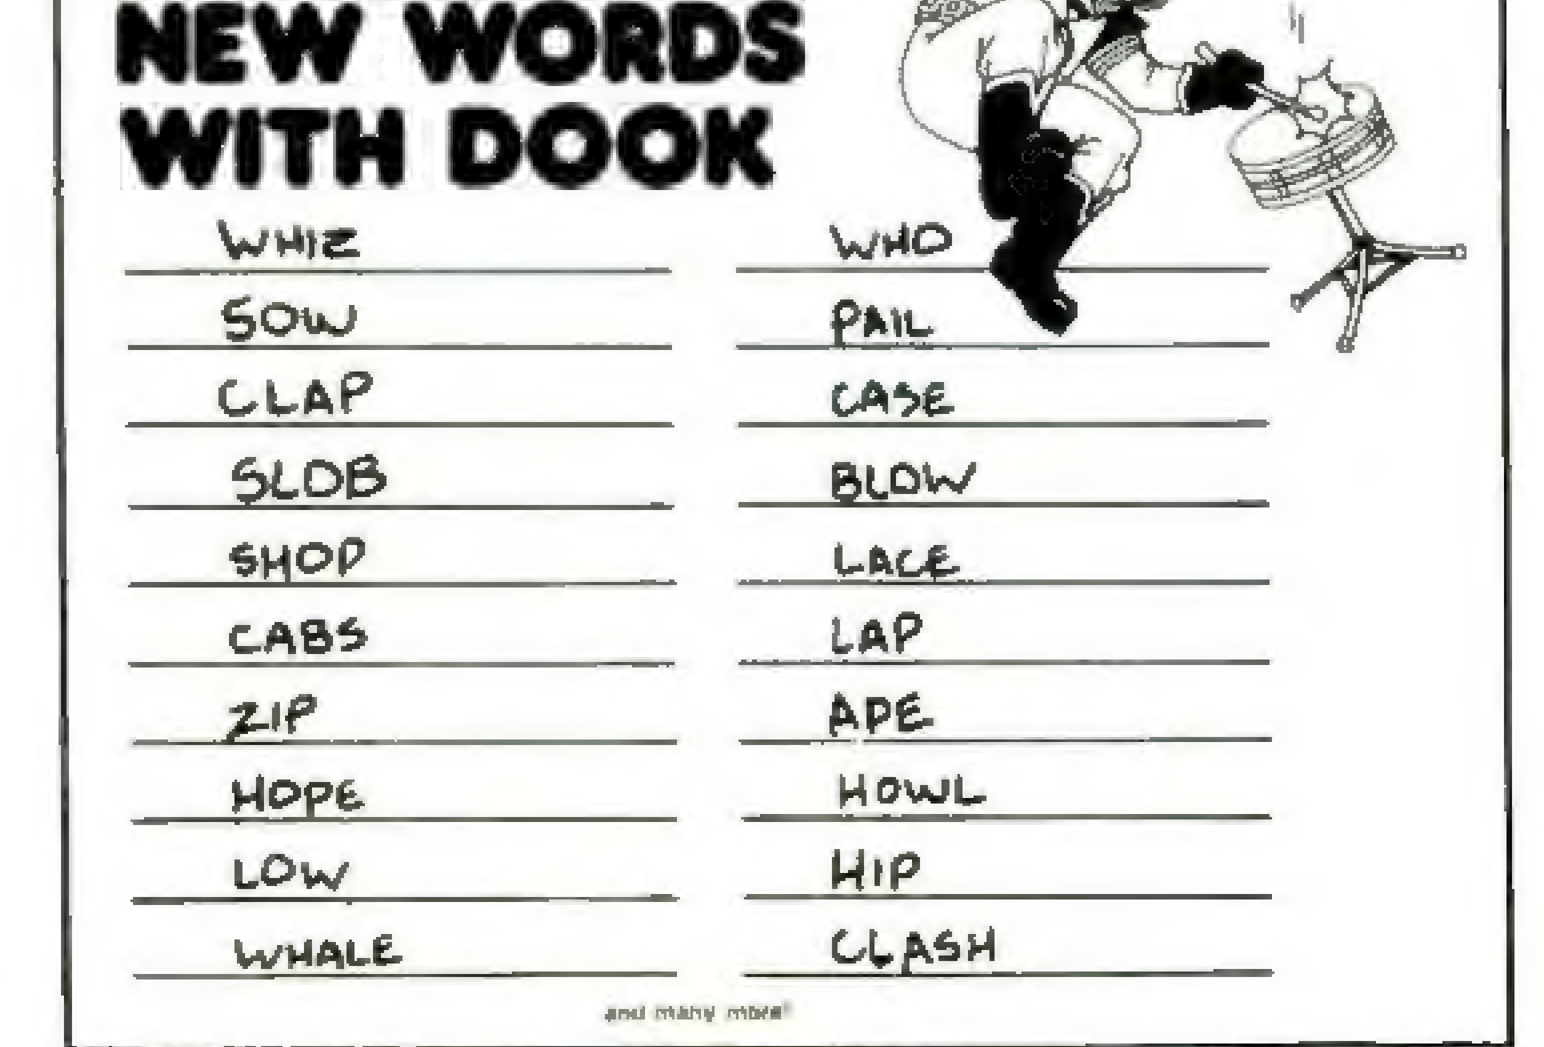

One fine, sunny day at Smitty's Super Service, Billy Bob sat eating a large ShowBiz Pizza Place pepperoni pizza (his very favorite), and drinking some soda pop. All at once, he heard the bell that told him a customer needed gas. So, he left his pepperoni pizza to go to work. When he came back, his pepperoni pizza was gone! Where could it be? Billy Bob didn't know. Then he remembered—Looney Bird loves pepperoni pizza, too. Billy Bob looked into Looney Bird's barrel and saw the bird eating the pepperoni pizza! So, since Billy Bob is a nice bear, he shared the pepperoni pizza with Looney Bird and they were both happy.
